Parent Approval for Activities

STUDENT _____ Grade _____ Date _____

*** Your signature will NOT provide permission for your student to leave school to go home for assignments or other errands. Telephone contact with you will be required for this type of activity.

Rules on Activity Trips

1. Students must ride school-provided transportation to all activities. Only in extreme or unusual situations would a student be allowed to drive his/her own car to an activity. Both the sponsor and the principal must give prior approval to the parent request.
2. Students may ride home from activities with their parent if the parent signs the student out with coach/sponsor at the activity.
3. Students may ride home from activities with other parents by providing a parent note to the office in advance of the activity. The office must verify the note prior to the day of the trip.
4. Students may not ride with other students to or from activity trips.
5. In case of an emergency medical situation, coaches/sponsors must have permission to have your student treated or admitted to a hospital if deemed necessary. This consent does not release the parent or guardian from medical expenses incurred.

Riverton High School Driving Guideline

1. All Students must adhere to the policies which have been approved by the Board of Education.
2. Students must park in assigned parking areas. At no time are the students to park in reserved spaces or fire lane areas. Violation will result in disciplinary consequences and/or loss of privileges.
3. Students who drive to school are required to park their vehicle upon arrival on school grounds and leave it parked until the student leaves at the end of the school day except with permission from the principal.
4. Students are not allowed to sit in their vehicle or another student's vehicle in the morning before entering the building. Once drivers are on school grounds they are required to park their vehicle and enter the school building.
5. Students are not allowed to go to their vehicle for any reason without permission from the office.
6. When school is out, students are expected to leave school property immediately unless they are involved in an after school activity. No loitering will be permitted.
7. Students must follow the rules and laws of driving, as they would be expected to follow on the highways. Failure to demonstrate safe driving, driving too fast, burning tires, illegal parking, etc. will result in disciplinary action and /or loss of driving privileges.
8. All driving and parking rules apply to activities after school hours.

Driving/Parking Violations

1st Offense: Detention, In-School suspension, or Saturday School.

2nd Offense: Saturday School and loss of driving privileges.

3rd Offense: 1 to 3 days suspension and loss of driving privileges.

Subsequent: 5 to 10 days suspension and loss of driving privileges.

Notification of Responsibility: USD #404 will in no way be responsible for damage incurred to a student's vehicle while on school property. It is the responsibility of the student and parent/legal guardian to contact local law enforcement to report vehicle damage and accidents. The school will not investigate vehicle damage situations. Local law enforcement officers will investigate after a formal report has been made.

PICTURE PERMISSION FORM

Dear Parents,

There may be occasions over the course of the school year that your child will have the opportunity to have his or her picture posted on our school website or in the local newspaper. You may view that website by navigating to: www.usd404.org and then clicking on the building tab at the top of the page. In order to comply with our technology policy, we need your signed permission to post your child's picture. Please complete the following so that we may abide by your wishes.

_____ Yes, you may post _____ picture on the U.S. D. 404 website or local newspaper. (Student's Name)

_____ No, please do NOT post _____ picture on the U.S.D. 404 website or local newspaper. (Student's Name)

X _____ Date _____

(Parent/Guardian Signature)

Dear Parents:

Throughout the school year Riverton USD 404 are asked to participate in surveys containing information that is essential to local and state grant funding and to planning effective prevention programs in our school and community. Surveys such as the Kansas Communities That Care Student Survey, Local Student Needs Assessment Surveys, and various other surveys are valuable tools to help us understand how students perceive things like substance use, bullying, teacher effectiveness, and many other important topics. These surveys give us insight into the problems students face and shows what we can do to help them succeed.

Surveys given within the Riverton USD 404 School system:

1. Are completely anonymous. Students will not be asked for their names on the questionnaire, nor will anyone be able to connect any individual student with his/her responses. School staff will not see any one student's responses, but only summaries of results. To further guarantee anonymity, results will not be reported on any particular question without sufficient response from enough students to guarantee anonymity,
2. Participation is entirely voluntary. Your child may decline to participate in surveys, or may simply skip any particular question they do not wish to answer,
3. Annual participation is important. Even if your child has participated in previous surveys, annual data is extremely helpful in determining the effectiveness of previous efforts and changes in program areas.

I hope you will allow your child to participate in our district's surveys. Please check the appropriate box below. -Thank you in advance for your cooperation,

Sincerely,

Todd Berry
Superintendent
Riverton USD 404

Enrollment Residency Questionnaire

If your family lives in any of the following situations:

- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations, or
- Doubled up with friends or relatives because you cannot find or afford housing

Then, your preschool-aged and school-aged children have rights or protections under the McKinney-Veto Homeless Education Assistance Act.

These questions cover the definition of homeless that is within the No Child Left Behind Act. This enrollment form will meet MSIP Standard 8.3.1 for enrollment identification.

1. Are you sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason? Yes _____ No _____

Explain if it is a similar reason.

Explain: _____

2. Are you currently residing at a motel, hotel, in a car, or at a campsite because your home has been damaged or because of economic reasons?

Yes _____ No _____

3. Are you currently residing in a shelter? Yes _____ No _____

4. Are you currently living in a temporary housing arrangement due to economic hardship? Yes _____ No _____

GREENBUSH HOME LANGUAGE SURVEY

Upon enrollment, every student or parent/guardian must be given a Home Language Survey. This survey will be used to determine which students should be assessed for English proficiency. Knowledge of, or exposure to another language does not, in and of itself, qualify a student for ESOL services. If a language other than English is indicated in any of questions 1-4, the student will be assessed to determine eligibility for English for Speakers of Other Languages (ESOL) services. The assessments approved by Kansas State Department of Education include: The Language Assessment Scales (LAS)/LAS LINKS/Pre-LAS, the IDEA Proficiency Test (IPT)/Pre-IPT, the Language Proficiency Test Series (LPTS), and the Kansas English Language Proficiency Assessment (KELPA)/KELPA-P. If a student scores below proficient/fluent in any of the language domains: listening, speaking, reading, or writing, s/he is eligible for ESOL services. Please complete one form for each child.

Student Information:

Name	Grade
Address	Date of Birth
Date first enrolled in a school in the U.S.	Phone Number

Student Language Information:

1. What language did your child first learn to speak/use?
 English _____ Spanish _____ Other (please specify) _____

2. What language does your child speak/use at home? Do not include language learned in a class or through television or other such programming.
 English _____ Spanish _____ Other (please specify) _____

3. What language do you speak/use with your child?
 English _____ Spanish _____ Other (please specify) _____

4. What language do the adults regularly present or living in the home speak/use while in presence of the child?
 English _____ Spanish _____ Other (please specify) _____

Parent/Guardian Information:

Which language do you prefer? English _____ Spanish _____ Other (specify) _____
 (Please specify "written" or "spoken". To the extent practicable, communication from the school will be provided in this language.)

Migrant Education Program Information:

The Migrant Education Program (MEP) is authorized by Title I Part C of the Elementary and Secondary Education Act of 1965 (ESEA). The MEP provides formula grants to local education agencies to establish or improve education programs for children who may qualify for the Migrant Program. Please help us determine your child's eligibility for the Migrant Program by responding to the following questions.

Have you or a member of your family moved in the last 36 months to do, or apply for, agriculture or fishing related work, including dairies, nurseries, meat or vegetable processing, feed yards, or field work?
 Yes _____ No _____

Have your children moved with or to join the worker above in the past 36 months?
 Yes _____ No _____

For the School: If the answer to either of the previous two questions is Yes, please contact the Greenbush Migrant office at jennifer.delee@greenbush.org, toll free 866-806-9026, or fax 620-724-6284.

**Riverton Unified School District #404
Student Drug Testing Consent Form**

Policy Statement

The Riverton Unified School District #404 Board of Education, in an effort to protect the health and safety of its students from illegal and/or performance-enhancing drug use and abuse or injuries resulting from the use of drugs, and to set an example for all other students of Riverton Unified School District #404, had adopted the "Student Drug Testing Policy" for drug testing of students participating in extracurricular and/or co-curricular activities, including dances.

General Authorization Form

I have read and understand the Riverton Unified School District #404's "Student Drug Testing Policy."

I understand fully that my safety and the safety of my teammates and classmates depend upon my conduct as an individual. I hereby agree to accept and abide by the standards, rules and regulations set forth by the Riverton Unified School District #404 and the coaches and/or sponsors for the extracurricular and/or co-curricular activities, including dances in which I participate.

I also authorize Riverton Unified School District #404 to conduct a test on a urine specimen, which I provide to test for drugs and/or alcohol use. I authorize the release of information concerning the results of such a test to Riverton Unified School District #404 and the parent and/or guardian.

Student Drug Testing Policy

The Riverton Unified School District #404 Board of Education, in an effort to protect the health and safety of its students involved in extracurricular and/or co-curricular activities, including dances, from illegal and/or performance-enhancing drug use and abuse or injuries resulting from the use of drugs, and to set an example for all other students of Riverton Unified School District #404, proposes the following policy for drug testing and students participating in extracurricular and/or co-curricular activities, including dances.

I. Statement of Purpose and Intent

- A. Participation in school sponsored extracurricular and/or co-curricular activities, including dances at Riverton Unified School District #404 is a privilege. Students who participate in these activities are respected by the student body and are expected to set a high standard of personal conduct, sportsmanship and training. This includes avoiding the use or possession of illegal drugs and alcohol.
- B. It is the desire of the Board of Education, administration and staff that every student in Riverton Unified School District #404 refrain from using, possessing, or distributing illegal drugs and alcohol. The sanctions of this policy relate solely to limiting the opportunity of any student in violation of this policy to participate in extracurricular and/or co-curricular activities, including dances. There will be no academic sanction for violations of the policy.
- C. The purpose of this policy is to prevent drug/alcohol use, educate students as to the serious physical, mental, and emotional harm caused by drug use, alert students with possible drug problems to the potential harms of use, prevent injury, illness and harm as a result of drug use and to maintain an educational environment free of drug use and abuse. The Riverton Unified School District has adopted this policy for use by all participating students in grades 7-12.

II. Definitions

- A. "Illegal / Illicit Drugs" means any substance which an individual may not sell, possess, use, distribute or purchase under either Federal or Kansas law. This includes, but is not limited to, all scheduled drugs as defined by Kansas law, all prescription drugs obtained without authorization and all prescribed and over-the-counter drugs being used for an abusive purpose as well as alcohol.

- B. "Performance Enhancing Drugs" includes anabolic steroids and any other natural or synthetic substance used to increase muscle mass, strength, endurance, speed or athletic ability. The term Performance Enhancing Drugs does not include vitamins, nutritional supplements or proteins that can be purchased over-the-counter.
- C. "Drug Use Test" means a scientifically substantiated method to test for the presence of illegal or performance enhancing drugs, alcohol or the metabolites thereof.
- D. "Positive" a result to a drug use test that substantiates the presence of illegal or performance-enhancing drugs or metabolites thereof in a person's urine and/or hair follicle.
- E. "Extracurricular Activities" means those activities which take place outside the regular course of study in school. **These activities include, but are not limited to the following: school dances, athletic teams, cheerleading, Student Council, Fellowship of Christian Athletes, National Honor Society, Future Educators of America, etc.**
- F. "Co-Curricular activities" means those activities that students participate in outside of the classroom as a result of being enrolled in a school-offered class. **These activities include, but are not limited to the following: Future Farmers of America, FCCLA, Art Club, Science Club, Math Club, marching band, choir, debate, drama, etc.**
- G. "Reasonable Suspicion" means suspicion based on a specific personal observation concerning appearance, speech or behavior of a student or athlete.
- H. "Off-Season Athletes" refers to those athletes who participated the previous year or current year in any sport.

III. Education

Each student shall be provided a consent form, a copy of which is attached to the policy, which shall be dated and signed by the student and by the custodial parent or guardian before such student shall be eligible to participate in any extracurricular and/or co-curricular activity, including dances. The consent shall be to provide a urine sample at any time requested to be tested for illegal drugs or performance-enhancing drugs. No student shall be allowed to practice or participate in an extracurricular and/or co-curricular activity, including dances or athletic contest unless the student has returned the

properly signed consent form. All properly signed consent forms will be maintained on file in the office.

A positive test result of any student's drug use test will be reported to the principal, the head coach, sponsor, the student and the student's parents or guardians.

IV. Procedure

- A. Each student (grades 7-12) in an extracurricular and/or co-curricular activity, including dances shall receive copies of the "Student Drug Testing Policy" and "Student Drug Testing Consent" form, which shall be read, signed and dated by the student and parent or guardian. No student shall be allowed to practice or participate in any extracurricular and/or co-curricular activity, including dances, unless the student has returned the properly signed "Student Drug Testing Consent" form. Transfer students will be placed in the testing pool within one week after enrollment should they wish to be eligible for extracurricular and/or co-curricular activities, including dances. There will be two pools, one consisting of grades nine through twelve (9-12) and one consisting of grades seven through eight (7-8). All students wanting to participate in extracurricular and/or co-curricular activities, including dances, must sign the "Student Drug Testing Consent" form and return to the high school or middle school within one (1) week of the beginning of each new school year. Failure to turn in the properly signed forms within the time limits set forth in this policy will keep a student from participating in extracurricular and/or co-curricular activities, including dances.
- B. Students will be required to provide a urine sample as follows:
 1. On a random selection basis from a list of all extracurricular/co-curricular activities; including dances, ten (10) students will be drawn from a pool to provide a urine sample for testing.
 2. Any time requested based on reasonable suspicion to be tested for illegal or performance-enhancing drugs.
 3. Selected students will be interviewed regarding any information on medication that would create a positive test prior to submitting a urine sample.
- C. Any drug use test required by the Riverton Unified School District #404 under the terms of this policy will be administered by or at the direction of a professional laboratory chosen by the Riverton Unified School District #404 using scientifically validated toxicological methods. The professional laboratory shall be required to have detailed written specifications to assure chain of custody of the specimens, proper laboratory control and scientific testing.
- D. All aspects of the drug use testing program, including the taking of the specimen, will be conducted so as to safeguard the personal and privacy rights of students to the maximum degree possible. The test specimen shall be obtained in a manner designed to minimize intrusiveness of the procedure. In particular, the specimen

must be collected in a restroom or other private facility behind a closed stall/door. The monitor shall not observe the student while the specimen is being produced, but the monitor shall be present outside the stall/door to listen for the normal sounds of urination in order to guard against tampered specimens and to ensure an accurate chain of custody. The monitor shall verify the normal warmth and appearance of the specimen. If at any time during the testing procedure the monitor has reason to believe or suspect that a student is tampering with the specimen, the monitor may stop the procedure and inform the principal who will determine if a new sample should be obtained. A collected specimen of 30 mL will be desired from each student. If a student cannot produce a specimen of 30 mL, the student's sample may be deemed insufficient and the student may be re-tested at the discretion of the principal.

- E. If the initial drug use test is positive, the initial test result will then be subject to confirmation by a second and different test of the same specimen. In order to keep the results of the initial testing confidential, the school district may also choose a certain number of samples for a confirmation test. The second test shall not be reported positive unless the second test utilizing the gas chromatography/mass spectrometry procedure is positive for the presence of an illegal drug or metabolite thereof.

- F. If the student asserts that the positive test results are caused by other than consumption of an illegal drug or performance-enhancing drugs by the student, then the student will be given an opportunity to present evidence of such to the principal, head coach or sponsor. Riverton Unified School District #404 will rely on the opinion of the laboratory that performed the confirmation test in determining whether the positive test result was produced by other than the consumption of an illegal drug or performance-enhancing drug. Freeman OccuMed in Joplin, MO and Mercy/Maude Norton Hospital in Columbus, KS are approved locations for students to appeal their initial positive test. Test from other locations will not be accepted or recognized. The cost of testing will be the sole responsibility of the student. If a student chooses to appeal, the appeal test must be taken the same day as the initial test results are reported. Urine and/or hair follicle test will only be accepted. The principal head coach and/or sponsor will make a decision within five (5) working days.

- G. The decision may be appealed in writing to the Riverton Unified School District #404 Superintendent within five (5) working days. The superintendent will make a written decision within five (5) working days.

- H. The decision of the superintendent may be appealed in writing to the Riverton Unified School District #404 Board of Education within five (5) working days. Policy of the Riverton Unified School District #404's rules and regulations will be followed in case of appeal.

- I. A student who tested positive may be required to undergo one or more additional drug use tests to determine whether the student is no longer using illegal drugs or performance-enhancing drugs; before he or she may rejoin an extracurricular and/or co-curricular activity, including dances. Riverton Unified School District #404 will rely on the opinion of the laboratory that performed or analyzed the additional drug use test in determining whether a positive result in the additional drug test was produced by illegal or performance-enhancing drugs used by the student, which caused the first positive result, or by more recent use. Depending on the circumstances, the cost of the retest may be the obligation of the student or the parent or custodial guardian.
- J. All parents or guardians of students who tested negative in the initial screening will be contacted by personnel of the Riverton Unified School District #404 within five (5) days after testing.

V. Violations

Any student who tests positive in a drug/alcohol use test under this policy shall be subject to the following restrictions:

- A. For the **first offense**, the student shall be suspended from participation in all extracurricular and /or co-curricular activities, including dances and all performances and competitions, for a period of four (4) weeks (20 school days). During this time, it is recommended that the parent/guardian obtain a substance abuse evaluation and education/counseling for the student. If the student and/or parent/guardian can provide proof of enrollment and a minimum of five (5) hours attending a school approved substance abuse program, the suspension will be reduced to two (2) weeks (10 school days). Additionally, the student must voluntarily submit to a second drug test to be administered within two (2) weeks in accordance with the testing provisions of this policy. The student must attend and participate in all practices during his/her days of ineligibility.
- B. For the **second offense** that occurs during a student's high school career, the student shall be suspended from participation in all extracurricular and/or co-curricular activities, including dances and all meetings, practices, performances, and competitions for nine weeks (45 school days) continuous from the date of the initial report of the second offense as stated in the this policy. As a result of a second offense, the student must voluntarily submit to random monthly testing for a period of thirty-six (36) weeks (180 school days) in order to maintain eligibility for all extracurricular and co-curricular activities.
- C. For the **third offense** that occurs during the student's high school career, the student shall be suspended from participation in all extracurricular and/or co-curricular activities, including dances and all meetings, practices, performances

and competitions for a period of eighteen (18) weeks (90 school days) from the date of the initial report of the third offense as stated in this policy.

- D. For the **fourth offense** that occurs during the student's high school career, the student shall be suspended from participation in all extracurricular and/or co-curricular activities, including dances and all meetings, practices, performances and competitions for the remainder of the student's enrollment at Riverton Unified School District #404 from the date of the initial report of the fourth offense as stated in this policy.
- E. If a student tests positive and they are not involved in an extracurricular, co-curricular activity or interscholastic sport, or dance at that time, the violation will begin the first official day of activity according to the KSHSAA Handbook.
- F. **Self-Report:** A student who self-reports concerning a violation of the policy will be allowed to remain active in extracurricular/co-curricular, and/or dances; such student will however, be considered to have committed his first offense under this policy. Self-report may be used only once by a student. Students must self-report prior to the random drawing or they will be treated the same as any student who is selected for testing.

VI. Refusal to Submit to Drug Use Test

Any, extracurricular and/or co-curricular, including dances, participant who refuses to submit to a drug/alcohol test authorized under this policy, shall be considered "positive" for drugs and be subject to the appropriate suspension as stated in Section V of the Riverton Unified School District #404 "Student Drug Testing Policy."

Any student who has a positive initial test and refuses to complete the required paperwork for a confirmation test will be treated as a refusal to submit to testing.

VII. Transfer Students

As stated previously in this policy, any student (grades 7-12) transferring to Riverton USD #404 who wishes to participate in extracurricular and/or co-curricular activities, including dances, must have a signed "Student Drug Testing Consent" form on file with the office prior to being eligible to participate. Additionally, any transfer student who has failed a drug screening in their previous school district enters Riverton USD # 404 with a similar record.

VIII. Disclaimer

The Riverton USD #404 Student Drug Testing Policy does not supercede the student handbooks of Riverton High School or Riverton Middle School with regard to students found to be in possession of, using, providing or under the influence of illegal substances or alcohol while on school property or at a school activity (home or away). Therefore, a student, who violates the policy as set forth in the handbook, should expect further consequences as deemed appropriate by the administration.
