

Riverton USD 404 is happy to announce that effective Tuesday, September 8, 2020, through Thursday, December 31, 2020, (or until funding expires) that ALL students enrolled at Riverton USD 404 will be able to receive free breakfast and free lunch.

Enrolled students doing remote learning may also receive free meals. Remote Learners may place meal orders via our [Google Form](#). Forms must be submitted each day no later than 8:30 am. Ordered meals may be picked up at the High School main entrance from 10:00 a.m. to 10:30 a.m. each day.

We know many of you will have questions and we're here to help answer those at any time. Here are just a few examples for you.

Q. Will I be reimbursed for meals my students purchased prior to September 8th?

A. No, this free program does not become effective until September 8, 2020.

Q. I just made a large payment on my family's meal account; will I get that money refunded?

A. No, that money will remain in your family's meal account for future use. As stated, this program will end on Thursday, December 31, 2020 **OR** when funds are expired.

Q. My family qualified for free or reduced priced meals last school year and I have not yet completed a new application for this year, do I still need to complete an application?

A. We highly recommend that you do go ahead and complete a new application as soon as possible for this school year. When you have a completed, approved meal application on file, the transition from this free program back to the regular meal program will be much easier.

We want to thank all of our families here at Riverton USD 404 for their participation in our food service program. We hope this free program offers you some peace of mind during these uncertain times.

GO RAMS!
